

DOCTOR MY EYES - Jackson Browne

E-8

Doctor my eyes have seen the years

G#m-8 C#m-4

And the slow parade of fears without crying

A-4 E-8

Now I want to understand

E-8

I have done all that I could

G#m-8 C#m-4

To see the evil and the good without hiding

A-4 E-8

You must help me if you can.

C#m-8 E-8

Doctor my eyes tell me what is wrong

C#m-8

Was I unwise

B-4 A/E-8 E-8 A/E-8

To leave them open for so long

E-8

As I've wondered through this world

G#m-8 C#m-4

As each moment has unfurled I am waiting

A-4 E-8

To awaken from these dreams

E-8

People go just where they will

G#m-8 C#m-4

I never noticed them until I got this feeling

A-4 E-8

That it's later than it seems.

C#m-8 E-8

Doctor my eyes tell me what you see

C#m-8

I hear their cries,

B-4 D/E-8 A/E-8 E-8

Just say if it's too late for me.

SOLO D/E-4 A/E-4 E-8

C#m-8 E-8

Doctor my eyes that cannot see the sky

C#m-8

Is this the price,

B-4 A/E-8 E-8

For having learned how not to cry.
