I SHALL BE RELEASED by Bob Dylan

G Am
They say every man needs protection
Bm C D G/// G///
They say every distance is not near
G Am
But I remember every face
Bm C D G/// G///
Of every man who put me here

G Am
I see my light come shinin'
Bm C D G/// G///
From the west down to the east
G Am
Any day now, any day now
Bm C D G/// G///
I shall be released

They say every man can be replaced
They say every man must fall
But I swear I see my reflection
Some place so high above the wall

Standing next to me in this lonely room
Is a man who swears he's not to blame
All day long I hear him shout so loud
Callin' out that he's been framed
