If a tinker were my trade would you still find me,
C2 G2 D4
carrying the pots I made, followin' behind me.

C2 D2 C2 D4
Save my love through loneliness, save my love for sorrow.
C2 G2 D8
I'm given you my onliness, come give your tomorrow.

C2 G2 D4
If I worked my hands in wood, would you still love me?
C2 G2 D4
Answer me babe, "Yes I would, I'll put you above me."
C2 G2 D4
If I were a miller at a mill wheel grinding,
C2 G2 D4
would you miss your colored blouse, and your soft shoes shining?

C2 D2 C2 D4
Save my love through loneliness, save my love for sorrow.
C2 G2 D8
I'm given you my onliness, come give your tomorrow.
