

VOILA AN AMERICAN DREAM - ALL CHORDS 4 STRUMS

[C]

I beg your pardon momma what did you say
G F
My mind was drifting on a Martinique day
C C
It's not that I'm not interested you see
G F
Augusta Georgia is just no place to be

[C]

I think Jamaica in the moonlight
G F
Sandy beaches drinking rum every night
C C
We've got no money momma but we can go
G F
We'll split the difference go to Coconut grove

[C]

Just keep on talking momma I can hear
G F
Your voice it tickles down inside of my ear
C C
I feel a tropical vacation this year
G F
Might be the answer to this Hillbilly beer

[C]

I think Jamaica in the moonlight
G F
Sandy beaches drinking rum every night
C C
We've got no money momma but we can go
G F
We'll split the difference go to Coconut grove

C F
Voila an American dream
G C
We can travel girl without any means
C F
When it's as easy as closing your eyes
G C
And dream Jamaica is a big neon sign
